

New England Rehabilitation Hospital
is proud to offer
**Balance Training and
Fall Prevention Screening**

Last Wednesday of Every Month*
10:00 am - 1:00 pm

**NEW ENGLAND
REHABILITATION HOSPITAL**
2 Rehabilitation Way • Woburn

* November & December will be the third Wednesday of the month

- Have you had a fall or near fall recently?
- Do you have a fear of falling?
- Do you feel unsteady on your feet?
- Does your balance prevent you from doing the things you enjoy?
- Do you have vertigo, high blood pressure, neuropathy or visual impairments?

If you answered “yes” to any of these questions, please join us for a complimentary fall screening and see what our SAFE STEPS Balance Training and Fall Prevention Program can offer you. A licensed physical therapist will assess your risk for falls and provide you with educational materials and valuable resources to help you on your way to better balance.

**RSVP for a 15 minute appointment by calling Joan Jackson at
781-939-1989. Light refreshments will be served!**
